01 PROFILE

I am Web Developer & Student at **Vemana Institute of Technology, Bengaluru**

I am a talented, ambitious and hardworking individual, with broad skills and experience in Web Developing, social media and leading projects.

Furthermore, I am adept at handling multiple tasks on a daily basis competently and at working well under pressure.A key strength is communication; building strong relationships with people in order to deliver the best results.

- I am always energetic and eager to learn new skills.
- I'm a passionate learner who's always willing to learn and work across technologies and domains.
- Beside's programming, I enjoy eating food and traveling.
